Sir,

In accordance with Government Order No, 10959-3" of April 25th. last, in regard to the Building Grant for our new Hospital in this City, promising payment early in the new year, I have the honour to state that it will be a very great convenience to me if the Grant can be paid soon as I am in great difficulties owing to the very heavy expenditure already incurred. As I do not know on what form you would like me to draw the Grant I would request you to be kind enough to have the Grant-form prepared and forwarded so that I may be able to draw the amount without unnecessary delay.

I have the honour to be, Sir,

Your most obedient Servant,

George N. Sawday

Dear Mr. Madhava Rao,

In reply to your kind letter of April 21st. promising that the Building Grant for the new Hospital should be paid early in July, I have this day written to the Government asking them to be kind enough to forward the order for the payment of the Grant soon. The fact is I am in great difficulties. I have already paid the Contractor about Rs70,000 and besides this I have spent many thousands on materials which will almost immediately be used. It will be a very great kindness to me if you will see that the Grant is paid as soon as may be possible and convenient.

I am pushing on with the work for His Highness has kindly promised to open the Hospital early in August. We shall not be able to get the whole place finished by then but I want to complete the front block and am in great need of money. Please forgive me for troubling you.

With kindest remembrances,

Believe me, Yours most sincerely,

George N. Sandys
